MATH BOWL

Structure

- Math Bowl is scheduled on 11th December, 2024
- It will be a subjective pen - paper exam scheduled for 4 hours.
- Each IIT will submit only one answer booklet.

Format & Syllabus

- The question paper will have 6 questions of increasing difficulty from pre-Olympiad level to difficulty about an IMO 2/5.
- The exam will be in the subjective format and the answers are expected to be as rigorous as possible.
- The topics covered can include pre-college and upto 1st year mathematics including basic linear algebra, discrete math, and calculus.
- Marking scheme will be followed strictly as per the instructions given by the organization. Partial marks for the subjective answers will be allotted as per the same guidelines.
- There will be no marks for solutions without proper reasoning/justification.
